City/Town/County/School District of _____, a 100 thousand population city, located in (STATE) _____, is hereby signing on to the 2050 Commitment, and its incremental targets by the year 2050.

As planners, we understand the need to exercise leadership through a voluntary pledge and aspirational effort that will truly transform our built environment and our communities. With this signing we want to ensure resilient and equitable places for our future generations.

We therefore commit City/Town/County/School District of _____, to take the following ACTIONS intended to succeed in the following performance metrics:

<list LISAs / LIRAs identified in your assessment. Example below for a school district>

LIRA #1 *<ref SDG target# (optional)>*

SDG reference → Target 4.5 <https://sdg-tracker.org/quality-education#4.5>

- *By 2030, reduce disparities in education, by increasing the %% of population economically disadvantaged graduating from XX% to YY%*
- *By 2050, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples, and children in vulnerable situations.*

We also support the PLANNING2050 framework application, as a critical tool that allows uniformity and proactive action from entities like ours.

We look forward to continuing our reporting and monitoring of the metrics described above, and to improve together our cities and communities.

Sincerely,
